

The collage consists of eight photographs arranged in a 4x2 grid, showing students working on their laptops in a classroom setting. The students are focused on their screens, which display various educational software and documents. The background shows stacks of papers and books, indicating a busy learning environment.

- Top Left:** A student in a plaid shirt is working on a laptop. The screen shows a software interface with a sidebar and a main content area. There are stacks of papers and a plant in the background.
- Top Middle:** A student is working on a laptop. The screen displays a spreadsheet or data entry form with multiple columns and rows. The text is in English and includes various labels and input fields.
- Top Right:** A student is working on a laptop. The screen shows a software interface with a sidebar and a main content area. There are stacks of papers and a plant in the background.
- Middle Left:** A student in a plaid shirt is working on a laptop. The screen shows a software interface with a sidebar and a main content area. There are stacks of papers and a plant in the background.
- Middle Middle:** A student is working on a laptop. The screen displays a spreadsheet or data entry form with multiple columns and rows. The text is in English and includes various labels and input fields.
- Middle Right:** A student is working on a laptop. The screen shows a software interface with a sidebar and a main content area. There are stacks of papers and a plant in the background.
- Bottom Left:** A student in a plaid shirt is working on a laptop. The screen shows a software interface with a sidebar and a main content area. There are stacks of papers and a plant in the background.
- Bottom Right:** A student is working on a laptop. The screen displays a spreadsheet or data entry form with multiple columns and rows. The text is in English and includes various labels and input fields.
